FARMERS' MARKET HOLIDAY GUIDE

The holiday season is upon us. Make this one fresh and local! The gift list is long, with the to-do list even longer, and the market has a wide variety of goodies and ingredients to suit this busy time. You'll find your local farmers' market can be a quick, no-hassle, one-stop shopping experience. You'll find interesting gift ideas, quality fresh produce for holiday dinners, treats for yourself, and much more!

Put together a vibrant basket of fresh California winter fruit or a gift box of locally crafted olive oils, balsamic vinegar, and bread, or a sampling of homemade soaps, bath salts, and lotions, or even a selection of herbs to make your own fragrant wreaths! Many artisans have gift sets already boxed and ready to take home and wrap up. Other purveyors can help you gather a variety of items to create your own basket of goodies! Here are a few of our farmers' market favorites:
