INGREDIENTS

- 2 cups frozen grapes
- Juice of half a lime
- Chili lime seasoning

METHOD

Place the grapes in the freezer for at least 2 hours or until they are frozen solid.

Take 2 cups of frozen grapes and place in a large enough cup or bowl to blend. Use an immersion blender to gently blend them together. The result should be a delicate, smooth puréed consistency. Keep them in the freezer while you prepare the rest. Place in a small serving bowl.

Cut a lime in half and drizzle the freshly squeezed juice of half a lime over the puréed grapes.

Sprinkle some chili lime seasoning generously over the top for a perfect sweet, sour, and spicy kick.

Serve immediately.
