INGREDIENTS

- 1/2 pound dried apricots
- 2 pounds orange-fleshed sweet potatoes, peeled, sliced 1/4-inch thick*
- 1/4 cup reserved apricot juice
- 3 tablespoons butter
- 1 orange, using 2 teaspoons juice, and 1 teaspoon zest
- 1 cup brown sugar
- Pecan halves for garnish

METHOD

Cover apricots with boiling water, and let sit until tender; drain and reserve liquid. Peel and thinly slice sweet potatoes.

Arrange potatoes and apricots alternately in a 9" x 11" casserole dish.

Mix reserved apricot juice, orange juice, butter, and brown sugar; warm til butter melts and pour over apricots and potatoes.

Bake at 375 for 1 hour until tender, basting in its juices every 15 minutes. Garnish with pecan halves.

Good for leftovers when reheated!

*Look for long, narrow potatoes so they match the size of the apricots.
