

## WIC MARKET NUTRITION PROGRAM MATCHING

## Did you receive WIC Farmers Market Nutrition Program (FMNP) vouchers?

You can double your buying power when you spend the vouchers at a participating farmers' market!

PCFMA was awarded a grant from the <u>California Department of Food and Agriculture</u> (CDFA) to match Senior and <u>WIC Farmers' Market Nutrition Program (FMNP)</u> vouchers for all <u>PCFMA</u>, <u>Coastside</u>, <u>Fresh Approach</u> farmers' markets, and the <u>Freedom Farmers'</u> Market in Oakland.

To receive the Senior or WIC matching dollars, which is \$5 for every \$10 voucher, bring your Senior or WIC-FMNP vouchers to the information booth at one of the participating farmers' markets. Senior and WIC-FMNP vouchers will be matched with the script that is good for fresh fruits and vegetables and can be used at any PCFMA farmers' market.
