A sweet and easy salad, great for a quick refreshing starter.

INGREDIENTS

- 1 bunch rainbow chard
- 1 pint strawberries

Dressing:

- 1/2 cup strawberries
- 2 tablespoons strawberry jam

- 1 tablespoon dried basil
- ½ cup fresh parsley
- Few dried or fresh basil leaves
- 2 tablespoon vinegar

METHOD

Wash and chop the chard (Please eat the stems! They're not only pretty but yummy). Remove stems and slice strawberries. Blend or use a food processor to mix dressing ingredients until desired consistency. Drizzle dressing over salad and serve.
